The MARYLAND SALTWATER SPORTFISHERMEN'S ASSOCIATION has worked tirelessly to protect and enhance recreational fishing in the Chesapeake Bay and Maryland's tidal waters while conserving its marine resources. We are the voice for more than 7,000 recreational saltwater anglers in Maryland, working to protect stocks of recreational game fish. As your representatives, MSSA ensures that the concerns and views of Maryland's saltwater anglers are heard. By your completing the attached questionnaire, you assist our governing board in their desire to protect the rights of Maryland's Recreational Anglers. Please help us by answering the questions below and sending your application to MSSA via mail or email.
